

## PC-40 PANEL CLEANER

**PC-40** is a non-flammable solvent used as a panel cleaner and for general clean up. It is used in applications where a less aggressive solvent than GC-33 is required. Particularly, **PC-40** may be used to clean uncured single-component adhesives, such as Foamseal F6400-LVR, from preprinted wallboard without smearing the ink. **PC-40** should be tested for suitability in each application prior to use. Do not thin.
